

Office of Internships and Experiential Education

Internship Program Information

- We provide academic credit for quality internship opportunities in nearly any field anywhere in the US
- Students can choose to pursue an internship from our established placements or may design their own
- Students may participate in paid and unpaid internships for academic credit

Student Requirements

- 2.5 GPA or higher
- Minimum 60 credits prior to internship
- Available free elective credit – *student should meet with an academic advisor to confirm credits*
- Good academic and social standing

Important Dates

- Students should begin the internship search the semester before they plan to intern
- Internships should be finalized two weeks before the semester begins

Hours and Credits

- Earn FREE ELECTIVE credits for ITR 301/302 (field experience) and ITR 303/304 (seminar)
- Students earn PASS/FAIL credit for their field experience (6, 9, or 12 credits)
- Students will enroll in a 3-credit seminar offered in class or online
- Seminar focuses on the intern's learning experience as well as professional and career development, making the connection between academic background and practical experience.
